

Tribe: _____

Name: _____

End of the World: Entertainment

A deadly and especially infectious strain of the influenza virus has wiped out 99% of humanity. You and your tribe went into hiding for a year, completely isolated from what is left of civilization. You have chosen where you want to live, and have accepted all of the benefits and problems that your location provides you.

Even in the post-apocalyptic world that we now live, humans in your tribe need a time to relax and have fun. How do you plan to do this?

What activities do you plan to have for entertainment in your tribe?

Will you have any holidays in your tribe? What would they be?

Will you keep the traditional “9-5, 5 day work week” with Saturday and Sunday off – or modify this week? What will your “work week” and “weekends” look like?

Morale in a tribe is important. You want your... loyal subjects... to be happy that they are in your tribe. If they are not happy, you may have to deal with uprisings, civil wars, assassinations, etc...

What measure do you plan to take to ensure that your citizens are glad they chose to live in YOUR tribe, instead of one of the neighboring tribes?

200 years from now, when your tribe is flourishing with thousands of people, how do you expect that your tribe will look different than a normal city in America? Will this be a good change or a bad change? List at least 5 fundamental changes.
