Breaking social norms assignment:

- This is an individual assignment (unless what you are doing requires you to be in a group, in which case you will ask me first)
- You will break an approved *folkway* in front of people
- You will break this folkway three different times
- You will need to record what happens (video camera, or even writing down what happened *verbatim* on a piece of paper after each time)
- You will write-up your experience of breaking this norm as a one-page paper
 - (What happened? Why? How did you feel? How did you make other people feel? Was this the result you expected?, etc...)

TODAY (on a piece of paper)

1. Decide which folkway you will break (you can change later if you want, ask me first)
2. Tell me EXACTLY what you will do, where you will do it, and how you will record it

PROJECT:

1. Proposal ^above
2. Recorded data (piece of paper, video file, etc...)
3. 1 page write-up
